ABOUT US

Roads Transportation Group, LLC (RTG) is a woman-owned, Texas-based transportation and infrastructure support company specializing in hauling, road material supply, and roadway maintenance solutions. With a diverse network of subcontractor trucks, strong quarry and supplier partnerships, and a commitment to safety and regulatory compliance, RTG provides end-to-end support for road construction, disaster recovery, and infrastructure maintenance projects.

Civil & Industrial Construction

- Material Hauler - Aggregate, Debris, Material Transport
- Material Supplier- Aggregate, Sand, Gravel, Rock, Asphalt, Base, Lime Rock
- Site Preparation & Logistics

Debris Removal

- Storm Debris Cleanup
- Construction & Demolition Waste Removal

Road Maintenance & Repair

- Asphalt patching, pothole repair
- Guardrail, barrier installation & repair.
- Highway, street, and bridge debris removal and clean-up.

Traffic & Roadside Safety Equipment

- Supply of barricades, cones, channelizers, and safety barrels.
- Temporary and permanent traffic signage, reflectors, and delineators.
- High-visibility safety apparel and protective gear (vests, helmets, gloves).

DIFFERENTIATORS

- ✓ Industry Expertise & Strong Partnerships – Leveraging a vast network for efficient, cost-effective solutions.
- ✓ Scalable Fleet & Compliance – A vast network of subcontracted trucks ensuring safe, regulatory-compliant hauling.
- ✓ Reliable Execution & Rapid Mobilization – Hands-on approach, seamless communication, and on-time delivery

PAST PERFORMANCES

- **Lensa Construction – Orla, Texas (2025)**
Provided 8+ belly dumps and end dumps for material hauling on road construction projects.
- **Man Up Construction, LLC (2025)**
Delivered demolition hauling and disaster recovery services, including debris removal and transport.
